

To our incredible Table Hosts,

First and foremost, thank you for being the foundation of our Ballard family. **The Changing Lives Gala** is the one time each year we ask our community to come together, witness our impact, and raise those paddles high! Unlike many nonprofits, we believe one in-person ask is enough - but for that to work, **we have to have the right people in the room.**

Did the phrase the right people make you wince? I get it- I felt the same way at first, but let me clarify.

Incorrect assumption on who the “right” person is:

- **Just Rich People** - many who could give big end up leaving the gala without donating a penny. The size of one’s wallet does not always translate to the size of one’s heart.
- **They must already have a connection to Ballard.** Truthfully, three out of the last four Gala top donors were people we met the night of the Gala.

So, who are the **Right People**? And rest assured, you already know these people!

They’re the ones who **live life through a lens of gratitude.** The ones who brighten a room, whose kindness and empathy inspire you, who hug a little longer, who get misty-eyed at a touching story. They’re the people in your life with **hearts open to being moved,** who recognize their blessings and want to share them with those who need it most, with the families in our community currently struggling and their deserving children.

By inviting these people, you’re **filling the room with generosity and light, giving Ballard a real shot at continuing our mission** for children and families in our community. Identify the truly most beautiful, inspiring people in your life, and we will have one heck of a night to remember, my friends.

I admire you, I appreciate you, and I can’t wait to celebrate with you on Friday, June 12th, at our new venue, the KU Conference Center!

Let’s do this!

Kyle - 785-764-0878

Thank you for considering hosting a table at our upcoming Changing Lives Gala on Friday, June 12th, starting at 5:00 pm at KU Conference Center in Lawrence, KS.

We're excited to party, and we know you are too!

The Table Hosts are the **MOST ESSENTIAL** element in ensuring the success of the event. As a Table Host, you will fill a table of 10 people, including yourself. We recommend you begin by listing all potential guests, including personal and business associates interested in our program.

In order to have a full table of 10 people on the day of the event, we ask that you pre-confirm 10 guests (don't forget to include yourself in the count)! The more personal the invitation, the better. We advise inviting people in person or by telephone, then confirming by mailing them one of the *Save the Date* cards you'll find in your packet of materials. Once your entire list has been submitted to Ballard staff, we will provide you with event tickets for each of your guests that includes your table name for you to mail or hand deliver. Finally, please plan to call your guests once more about a week before the event to reconfirm.

If you can host a table, please email your confirmed guest list (included in this packet) to our office by Friday, May 15th. Please feel free to contact Kyle Roggenkamp by calling or texting 785-764-0878 during business hours. You can also email him at kyle@ballardcenter.org at any time should you have further questions or need additional materials.

Again, thank you for serving as a Table Host! Your support directly impacts the lives of children and their families in our community by providing them with a high-quality early education and offering basic life assistance to those in need.

tip sheet for recruiting guests

remember the cause

You are asking your friends, family, and co-workers to help Ballard Center provide an affordable, high-quality, early childhood education program and essential support to low-income families and individuals in need. Please note that Changing Lives is the single largest source of un-restricted funds and raising community awareness for Ballard.

use the phone

If you don't see a potential guest in person, try giving them a call or texting them.

use the computer

This is the easiest way to recruit guests. Use your Facebook or Instagram to gain support without leaving the house! Be sure to explain how Ballard is child focused but also helps individuals and families in our community. Explain how they make a difference in the lives of their Douglas County neighbors and associates by coming and supporting the work being done at the Ballard Center.

create a list of potential guests

Here are a few possibilities:

Family	Friends	Neighbors	Doctor
Attorney	Teachers	Dentist	Co-Workers
Plumber	Hairstylist	Clients	Classmates

Q: What is the #1 reason people don't get involved?

A: If is because they are not asked!
