

HOW YOUR SUPPORT GUIDES CHILDREN ON THE PATH TO SUCCESS

Every \$1 invested in quality early childhood education, like the Ballard Center provides, returns \$7.30 to society—a more than 600% ROI.

7% tuition model keeps our education program affordable.

Paying our teachers a living wage with benefits preserves high-quality, long-term educators.

Our food pantry & nutritious meals help address food insecurity and allow children to focus on learning.

Rental & utility assistance reduces family homelessness, enabling our students to maintain housing stability.

High-quality early childhood education leads to a **41% reduction in special education placement, 42% fewer juvenile arrests, and 20% higher high school graduation rates.**
